

THE 2011
Spirit of CEB
AWARDS

Since CEB's founding in 1947 by the State Bar of California and the University of California, its mission has been to meet the educational needs of California lawyers with authoritative and innovative products and services.

CEB's record of service since that time would not have been possible without the generosity of the many attorneys who, over the years, volunteered to speak and write for CEB. Motivated by a desire to serve the profession and by a love of teaching, they have taken time out of their busy practices and made significant contributions to the practice of law in California.

To acknowledge these authors and speakers and their service to the profession, CEB presents the annual Spirit of CEB Awards.

This year we honor 13 volunteer authors and speakers from five separate practice areas.
