

Find What You Need – Fast

CEB's new all-in-one search and enhanced navigation experience puts California legal research at your fingertips – faster, clearer and more intuitive than ever.

What's New at a Glance

Modernized home page	A modern, streamlined homepage focused on search, not distractions
Centralized search bar	Smarter autocomplete typing and filters to find results faster
"All" search results	The top results ranked by relevance across all content types for faster insights
Clearer content access	Personalized content display based on your subscriptions
Pinned favorites	Your most-used secondary sources front and center
Landing page for statutes and cases	Simplified access to key primary law content increases efficiency

Modernized home page

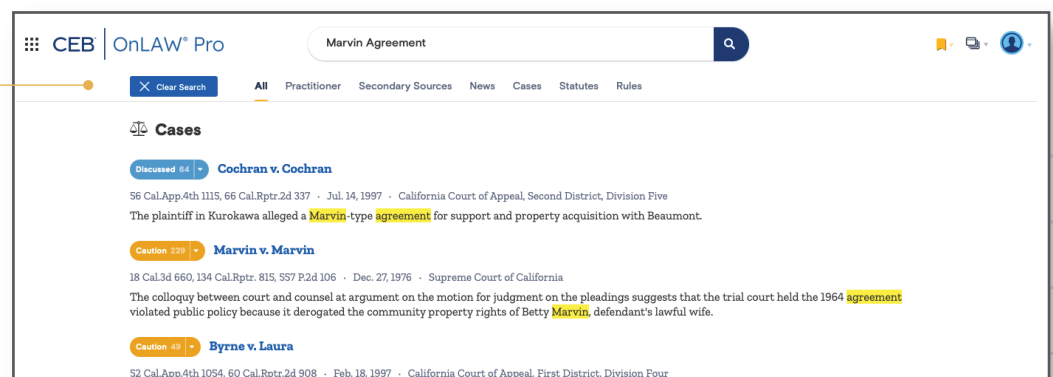

New layout simplifies search initiation

Centralized search delivers instant access to California-specific content

"All" search results

No clutter = faster navigation

Smarter Design, Trusted CEB Authority

The new interface is built to help you move faster and find what you need with less effort. From modernized navigation to clearer access points, every update was designed to make your research more intuitive, while keeping CEB’s reliable California-specific guidance at the core.

Same CEB, Stronger than Ever

CEB remains grounded in helping California attorneys access trusted legal guidance with less friction and more confidence.

What remains constant

Accurate, relevant content

Continuously refreshed and meticulously researched and reviewed, so you never have to worry about missing crucial updates

Exclusive practical guidance and know-how

Reliable, actionable insights from California's top legal minds save you time and help you move forward with confidence

Broad and deep California-specific information

Both big-picture analysis and nuanced interpretations that reflect the unique demands of California law, prepared specifically for California legal professionals

Behind the new design, CEB remains unchanged where it matters most – serving as your trusted resource for understanding and applying California law.
